

# PinkProtect™ Prone Wedge

## Patient Positioning Solutions for the ICU and OR

**40499**  
PinkProtect Prone Wedge  
4/case - 19.25" x 18" x 7"

*“We were in search of a product that would increase the comfort-level of our patients. Additionally, we needed to improve moisture control in order to keep central lines dry, decrease infection risk and protect against skin breakdown. Xodus Medical helped us address all of those concerns and worked with us to develop the perfect solution for our patients and staff.”*

— **Donna Morehead MSN/INF, RN, NE-BC**  
**ICU/Dialysis Manager**  
Dallas, TX

### Patient Safety Advantages

- Increases comfort by combining a skin-friendly material and supportive design
- Featuring DermaProx Pink, a breathable, moisture-wicking, skin-friendly material for the utmost protection against HAPs
- Establishes a standard of care that eliminates the use of pillows, makeshift positioners
- Reduces the need for patients to self-prone using their elbows
