Absorbent Mat Solutions

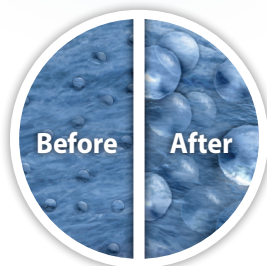

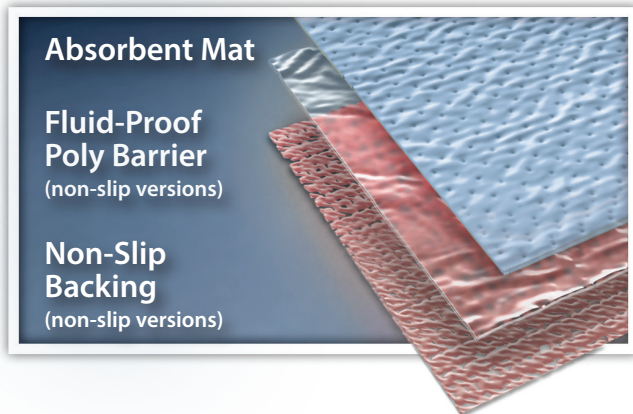

Keeping Your OR Dry as a Desert

Fluid & Infection Control

The Camel® line of OR mats:

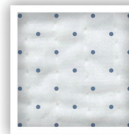

- Keeps the OR clean, dry and safe from slips
- Helps infection control - reduce contamination risk
- Saves money - reduces OR turnover time
- Available in different sizes and absorbency levels
- Prevents fluid from reaching the OR floor, while the non-slip backing keeps the pad securely in place.

Advanced Fluid Retention Technology

The Max Absorbent mat features a polymer material that enhances absorption and prevents fluids from dripping.

Camel™ Cord Cover

Two peel strips on the back reveal residue-free adhesive that secures the cover to the floor.

This feature keeps cords safely secured in place and decreases the risk of trips and falls.
