

Keeping your operating room organized and trip-free

- Designed to aid in organization of cords and tubes on the floor
- Helps prevent trips and falls in the OR
- Complies with AORN recommendations for safely securing cords
- Bright color provides easy visibility of cord location for staff
- Made of a durable material that can be walked on or rolled over
- Easy to apply, easy to remove and easy to reposition
- Features residue-free adhesive, eliminating the need to use tape in the OR
- Single-use and Latex-free

Residue-free adhesive
allows for easy application
and re-positioning
