

# Arthroscopic Positioning

Beach Chair Solutions

The safer alternative for securely holding the head in proper anatomically-correct position

- Breathable, latex-free DermaProx™ lining provides superior protection from skin breakdown
- Durable nylon straps provide a secure hold of the patient's head
- Available for various Beach Chair tables, featuring straps with clips or loop material

THE  
**DERMAProx™**  
DIFFERENCE

An advanced layer of skin protection that promotes breathability and safeguards against redness, shearing, abrasion and pressure injury.
