

# **SURGICAL** **BackPacks™**

Xodus Medical offers a full complement of positioning products for spinal, orthopedic, and neurological procedures:

- Protective layer of DermaProx, a specially designed material that safeguards skin and sensitive tissue
- Maximize patient safety while minimizing non-reimbursed care costs — avoid preventable injuries and CMS Never Events
- **Surgical BackPacks are preconfigured to fit most tables — see back for more details**

## *Spinal, Orthopedic, Neuro Positioning*

### THE **DERMAPROX™** DIFFERENCE

*Protective layer of DermaProx™ safeguards skin against shearing and pressure-related complications*

*All BackPacks are vacuum packaged to optimize storage spaces*

Available with  
**ProneSafe™**

Two layers of protection maximize patient safety, safeguarding against HAPU formation.

**X** **XODUS MEDICAL**  
Making Surgery Safer™
